

# **SHANE PETERS – 60'S, 70'S WORLD TOUR SHOW.**

Back in May at the Bowls Meet and Greet, I spoke on an Expression of Interest to you, the OCR residents, about arranging a night to get Shane Peters and his Boys back to OCR to do a Musical Night.

Shane Peters has performed at our last two New Year's Eve functions here at OCR and his performances have been well received by all in attendance, but unfortunately, we missed out on a third year with NYE, which is a real pity.

In an effort to get them back to OCR for a show, I spoke to Shane in late April and he accepted the invitation to perform.

An EOI list was passed around on that M & G night by those in attendance and those that added their names over the following days and the list was collected there were 151 names that wanted Shane and the Boys to perform.....what a great response!!

The proposal was so well received that a few residents put their names down two or three times!!!!

So, in reality we had just over 145 names that want the Music Tribute night dedicated to the 60's and 70's music era.

Now, I need to know, who will be actually coming to the night.??

There will be a typed list, in the Clubhouse shortly, in OCR house order of the people who submitted their names to attend the event, so if I can ask all those who were considering to attend to night to verify their attendance with a Y (yes) or a N (no) alongside their name.

Please do not answer for anyone else.

Should your name NOT be on the list, please feel free to add your name, as you will not be disappointed with the night.

The cost is \$20.00 per resident and you will be notified, at a later date when this will be payable.

The night is **THURSDAY 24<sup>TH</sup> SEPTEMBER 2026**, with the evening start time to be confirmed.

Feel free to bring your nibbles, refreshments and your 60's / 70's "dress up" on the night

[More information will become available closer to the date.](#)

Looking forward to you attending to this matter, so that we can work out the format for the night.

Cheers,

Jane and Owen Burns #153
